

ARRA Reporting in St. Mary's County Public Schools

American Recovery and Reinvestment Act of 2009

The purpose of ARRA is to stimulate the US economy in the short term and to invest in education and other essential public services to ensure the long term economic health of the nation. The use of ARRA funds is intended to strengthen education, drive reforms and improve results for students from early learning through college. These funds are to be used to improve student achievement and to help close the achievement gap. View the entire description of the document here: <http://www.recovery.gov>.

ARRA reporting requirements for school systems include the responsibility for school systems to show transparency in how teachers and administrators are evaluated. These documents are used in the St. Mary's County Public Schools to document and evaluate the performance of our professionals.
