Mrs. Megan Doran
Director

Public notice

St. Mary's County Public Schools Department of Food and Nutrition Service is submitting a waiver for the Summer Food Service Program (SFSP) flexibilities and policies that were rescinded by the USDA Food and Nutrition Services (FNS) through SFSP 01-2020 Summer Food Service Program Memoranda Rescission. The following area has been submitted for consideration:

Waiver Request – Policy extending area eligibility to closed enrolled sites

The goal of these waivers is to reinstate the rescinded flexibilities and policies to allow for efficient and cost-effective program management and reduce the administrative burden for sponsoring organizations and the Maryland State agency staff. Information regarding the approval or denial of these waiver requests will be posted here once the USDA makes the determination.

For more information, please contact the Director of Food and Nutrition Services Director Megan Doran at foodservice@smcps.org
