In consolidating administrative funds, a school system *may not* (a) designate more than the percentage established in each ESEA program, and (b) use any other funds under the program included in the consolidation for administrative purposes. A school system may use the consolidated administrative funds for the administration of the ESEA programs and for uses at the school district and school levels for such activities as –

- The coordination of the ESEA programs with other federal and non-federal programs;
- The establishment and operation of peer-review activities under *No Child Left Behind*;

- Technical assistance under any ESEA program;
- Training personnel engaged in audit and other monitoring activities;
- Consultation with parents, teachers, administrative personnel, and nonpublic school officials; and
- Local activities to administer and carry out the consolidation of administrative funds.

A school system that consolidates administrative funds shall not be required to keep separate records, by individual program, to account for costs relating to the administration of the programs included in the consolidation.
