Re: Open Enrollment and Health Insurance Rates Effective July 1, 2017

- **Open enrollment for health insurance will be from April 24, 2017 through May 24, 2017 for all benefits eligible employees.**
- In order to participate in one of the SMCPs Health Insurance Plans you **MUST** go online to enroll.
- In order to comply with the 2010 Patient Protection and Affordable Care Act, all employees waiving health insurance for the FY17 school year will also need to go online to waive benefits.

HEALTH INSURANCE

SMCPs will hold online open enrollment for health insurance benefits starting April 24, 2017. To participate in one of the SMCPs health insurance plans it is **MANDATORY** that you enroll online by May 24, 2017. If you do not re-enroll your current benefits will not continue for the FY18 fiscal year (July 1, 2017 – June 30, 2018).

To enroll or waive health insurance benefits go to www.smcps.hrintouch.com between April 24, 2017 to May 24, 2017. You will need to enter your username and password. Your username is your first name, the first initial of your last name, and the last 4 digits of your social security number (in all capital letters, example: HEATHERH1234). Your password is your social security number without the dashes. You will be asked to change your password once you have logged on.

Employees will be able to view their current plan coverage and make changes as needed to coverage, add or drop dependents and update personal information. **Please note: all employees will be required to provide supporting documentation for all new dependents added to their plans. This information should be directed to the Insurance Office as soon as possible.**
