Re: Health Insurance Rates Effective July 1, 2017

St. Mary's County Public Schools (SMCPSS) offers qualified retirees health benefits and subsidizes the benefit based on the number of years of service. Retirees who elect to terminate coverage through SMCPSS are eligible to return to the plan within 3 years of their retirement date. Re-enrollment can be done during open enrollment seasons. This was approved in July 2012.

If you choose to continue these benefits, you must complete the enclosed enrollment form and return it to the Insurance office no later than May 24, 2017. If we do not receive any information on you continuing your current plan or making any changes we will not continue your benefits starting July 1, 2017.
