

Graduating Seniors: Update Your Naviance Login Now!

Change Your Email, Username, and Password

Did you know graduating seniors lose access to their logins after graduation!

But that *doesn't* mean you have to lose access to your Naviance account. By changing your username and password, you will be able to use your Naviance account well beyond **after you graduate**.

Here's how!

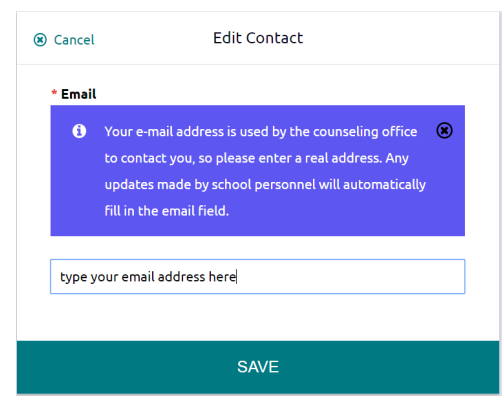

Step 1. Login to Naviance as you normally would

Step 2. Update Your Email Address

1. From the **About Me** dropdown menu, click **My Account**.
2. In the **Contact** box, click **Edit**.
3. Type the email address you plan to use after graduation.
4. Click **Save**.

Step 3. Create a Username and Password

1. Go to **About Me > My Account**.
2. In the gray navigation bar, click **Security**.
3. In the **Username** box, click **Edit**.
4. Type a new username.
5. Click **Save**.
6. Repeat the following steps but for edit your password in the **Security** section.

Step 4. Reset Your Password (optional)

1. If you did not edit your password you can reset it as long as your personal email has been added. From your school's login page, click **Forgot Password?**
2. Type the same email address you entered in **Step 2**.
3. Click **Reset My Password**.
4. Check your email for *Naviance Student Account Information*.
5. Follow the directions in the email to login and reset your password.

Note: for all future logins, use the URL from the password reset email or go to www.naviance.com and search for your high school's zip code to sign in.
